

Rain or Shine Policy

The Local at Lake Walk is a 'Rain or Shine Market', which means we will be officially open during our regular hours, even in rainy weather conditions. We are committed to our customers, as well as our vendors to be open the days and hours scheduled for The Local.

If severe weather threats (i.e. severe thunderstorms) occur prior to the starting time of the event, The Local may be delayed or CANCELED altogether. If The Local is canceled, vendors will be notified by 12:00 PM the day of the market via email, phone call, or social media.

If a cancellation occurs, vendors will be refunded within 45 business days after the date of the last market of the season. If more than one market is canceled, vendors will be given one refund for all cancellations. Vendors may also choose to apply the refund as a credit to a future market. A refund will only be issued if The Local is canceled prior to the event beginning.

If severe weather conditions develop after The Local has begun; customers, vendors and Lake Walk staff are expected to seek appropriate shelter until the weather has passed. Once the weather has passed, a determination will be made by the Lake Walk Market Manager to decide the remainder of The Local. Refunds will NOT be issued if this occurs.
